The District

Fairfield-Suisun Unified School District has an enrollment of almost 23,000 kindergarten through grade 12 students. It is the largest school district and the third largest employer in Solano County. There are 30 schools, consisting of three high schools, five middle schools, 20 elementary schools, one continuation high school, and one community day school. Other programs include the Adult School, with an enrollment of 4,581; two State preschools; and a Child Development Center.

The district is located in the City of Fairfield, with nearby Interstate 80, Interstate 680, and State Highway 12 providing convenient access to the San Francisco Bay Area and Sacramento regions. Local visitor destinations include the Jelly Belly Factory and Westfield Shopping Mall in Fairfield, Travis Air Force Base, Six Flags Discovery Kingdom in Vallejo, the Napa Valley Wine Country, and premium shopping outlet centers in Vacaville and Napa. There are numerous community-based performing arts organizations, museums, galleries, and festivals. Boating, sailing, bicycling, hiking, and skiing are popular family activities.

Solano County's landscape ranges from rich agricultural land, such as Suisun Valley with its fresh produce and numerous wineries in the north, to rolling hills in the south. Along the southern and western borders are the San Francisco Bay, the Carquinez Straits, Suisun Bay, Lake Berryessa, and the Sacramento River.

The district's central location provides easy access to numerous higher educational institutions within easy commuting distances, including:
